

\$25,000

NATIONAL INVESTMENT COMPETITION

PRESENTED BY

Available to all US middle & high school students!

Students simulate a free \$10,000 stock portfolio and buy & sell companies with real-time pricing, provided by Nasdaq.

Over 50 students will receive scholarships from our annual competition while monthly competitions will award the top students with fractional shares of real stock.

Participation is free and assumes no prior understanding of the stock market.

Download the Rapunzl app for free and send us an email to register your school for scholarship prizes. There's no cost to join & it's totally free, so what do you have to lose?
